

Sysdyne eNews

February 16, 2012

Dear Colleagues,

We hope you are all well and invigorated after an exciting World of Concrete 2012.

First of all, we want to extend our special appreciation to our dear customers who stopped by at our booth and shared their Sysdyne experience with others.

One word of yours is truly better than a thousand of ours. There is nothing more encouraging than hearing the positive feedback from you. The only thing we can do in return is to do our jobs even better.

Second, we want to extend our appreciation to our dealers. Thank you for not only being the warriors but also being our true cheerleaders! The experience of working with you is fantastic. We look forward to winning over more and more customers with you by our side.

Thanks to those who came to our customer appreciation party at the Hard Rock. Wasn't it fun!? We hope you all enjoyed the food, drinks and good cheer. We will make it even more exciting next year!

Overall, World of Concrete 2012 was a successful show and we've made many sales, with more in the works. Our quality automation systems and groundbreaking dispatch service are gaining momentum. **Word is spreading that the level of service satisfaction we provide just can't be beat!**

Again, thank you for stopping by at our booth. It was truly a pleasure to meet you and chat with you. We have learned a lot from you. We value your inputs, your opinion about the industry and its future. Our mission is to fulfill your needs. **We are determined more than ever to continue to lead the market with innovations and help you to improve your operation efficiency and ROI.** Count on us!!! More exciting products will be released at the next World of Concrete!

For those of you that weren't able to attend the conference, we hope to catch up with you soon. Let us know if you'd like to see a demo or receive more information on:

- Batching Systems
- ConcreteGO.com Dispatch
- Material Handling
- Accounting Interfaces
- Truck Revolution Counters
- Moisture Probes
